INDEX

VOL. XXXV, 1941-42

Note.—In this volume two series of numbers are used for pagination, one being the sectional page number and the other the volume page number. The latter only is used in the Index.

- Abdomen**, acute, value of urinary diastase in (E. B. C. Hughes), 339
- Abenheimer**, K. M.—Psychological aspects of rheumatoid arthritis, 455
- Abrahams**, Sir Adolphe.—Chronic miliary tuberculosis, 12
Gross hyperpiesis well tolerated for 11 years (Disc.), 14
Idiopathic steatorrhœa with severe anæmia and pyrexia, 11
Ophthalmoplegia co-existent with active thyrotoxicosis (Disc.), 20
- Acrodermatitis** (Dore) (Discussion), 33
- Acrodynia** cured with parenteral therapy (C. Pinckney), 686
- Acromegaly**, quiescent, with insulin-resistant diabetes (F. D. Hart and R. Greene), 17
- Aerosclerosis** Sellei (H. Gordon), 262
- Actinomycosis** (C. Pinckney), 686
- Adams**, A. W.—Refractory ulcerative cystitis, 434
- Adams**, W. S.—Skin diseases of ear (Disc.), 524
- Adie's syndrome** (tonic pupils) (H. Dimsdale for W. Harris), 188
- Adrenal gland reduction and sympathectomy** for hyperpiesis with polycystic kidneys (A. D. Wright), 188
- Airey**, F. S.—Granuloma annulare (Disc.), 37
- Air-sickness** (R. H. Winfield), 257
- Allen**, H. W.—Exfoliative erythrodermia (Disc.), 45
Industrial dermatitis (Disc.), 704
- Allison**, V. D.—Mastitis and streptococcal infections (Disc.), 627
- Alston**, J. M.—Control of cattle diseases inimical to man (Disc.), 120
- Amputations**, practical points (G. Perkins), 711
- Anæmia** neonatorum and sulphæmoglobin-(cyth)æmia (A. W. Franklin), 686
severe, with idiopathic steatorrhœa (Sir A. Abrahams), 11
- Anæsthesia**, centenary of first use of ether (A. D. Marston), 279
convulsions under (E. A. Pask), 545
resuscitation during (G. S. W. Organe), 439
- Anderson**, E. W.—Assessment of criminal responsibility in naval offenders (Disc.), 726
- Andrew**, D.—Polycythæmia rubra vera, 19
- Andrews**, C. D.—Hospital building (Disc.), 372
- Aneurysm** of circle of Willis (A. D. Wright), 189
- Angiomatosis** retinæ (A. J. Ballantyne), 345
- Ankle**, sprains and subluxations (J. R. Hughes), 765
- Armstrong**, J. R.—Method of bone grafting tibia and fibula, 759
- Armstrong**, R. W.—Electric shock therapy, 80
- Army**, medical aspects of man-power (D. G. Cheyne), 427
- Armytage**, V. B. G.—see Green-Armytage, V. B.
- Arsenical pigmentation and hyperkeratosis**. Disseminated sclerosis with epilepsy (S. P. Meadows), 13
- Artery**, carotid, right internal, partial thrombosis of, at level of ophthalmic artery (W. Harris), 187
- Arthritis**, gonococcal, and "rheumatism" (Discussion), 653
orthopædic procedures in treatment (J. Bastow), 80
rheumatoid, large cyst formation directly associated with (J. B. Burt), 85
psychological aspects (J. L. Halliday), 455
- Arthroplasty**, technique of (T. T. Stamm), 221
- Asphyxia**, traumatic, and disruption of pelvis (H. M. Coleman), 763
- Atkins**, W. R. G.—Mineral and vitamin requirements in relation to war-time dietary (Disc.), 623
- Atropine** methyl nitrate in pyloric stenosis (D. Paterson), 49
- Aviation**, effects on nose and ear (Discussion), 245
- Bacharach**, A. L.—Mineral and vitamin requirements in relation to war-time dietary (Disc.), 623
Vitamins and hæmorrhagic states (Disc.), 414
- Back**, conditions of, simulating visceral disease (J. H. Kellgren), 199
- Backhouse**, T. M.—Assessment of criminal responsibility in the armed forces (Disc.), 723
- Ballantyne**, A. J.—Angiomatosis retinæ, 345
- Bamber**, G. W.—Sclerodermia with long antecedent pigmentation, 261
So-called monilia infections of nail fold, 39

- Barber, H. W.**—Acrodermatitis (Dore) (Disc.), 34
Cellular nævus resembling lupus vulgaris (Disc.), 388
Granuloma annulare (Disc.), 38
- Barker, J. R.**—Control of cattle diseases inimical to man (Disc.), 116
Mastitis and streptococcal infections (Disc.), 634
- Barnes, C. G.**—Scleroderma and dermatomyositis, 192
- Barnes, J. L.**—Place of child guidance in a pædiatric unit, 683
- Barrington-Ward, Sir Lancelot.**—Pyloric stenosis in infancy (Disc.), 55
- Barry, H. C.**—Rupture of urethra and its treatment (Disc.), 292
- Basden, M.**—Uterus removed on account of rupture of old Cæsarean scar, 643
- Bastow, J.**—Some orthopædic procedures employed in treatment of arthritis, 80
- Batchelor, J. S.**—Excision of both femoral heads in case of ankylosing spondylitis, 224
Treatment of fractures of shaft of femur, 226
- Bayon, H. P.**—Paracelsus: personality, doctrines and his alleged influence in reform of medicine, 69
- Beeson, P. B., and Scott, T. F. McN.**—Clinical, epidemiological and experimental observations on an acute myalgia of neck and shoulders: possible relation to generalized fibrositis, 733
- Belsey, R.**—Effects on kidney of trauma to parts other than urinary tract (Disc.), 328
- Benison, R. L.**—Rupture of urethra and its treatment (Disc.), 294
- Bennet, E. A.**—Assessment of criminal responsibility in armed forces (Disc.), 730
- Blackburn, G.**—Effects on kidney of trauma to parts other than urinary tract (Disc.), 339.
- Bladder, Hunner's ulcer of (G. E. Parker), 23**
multiple papillomata of, ureteric transplantation into the large bowel and total cystectomy for (A. C. Morson), 21
refractory ulcerative cystitis (A. W. Adams), 434
- Blair, L. G.**—Function of radiologist in diagnosis and treatment of chest injuries (Disc.), 97
- Blood, W.**—Effects of war-time industrial conditions on mental health (Disc.), 693
- Blood diseases, throat and nose manifestations of (Discussion), 401**
pressure, high, and the kidney (Discussion), 309
well tolerated for 11 years (C. J. Gavey), 14
with polycystic kidneys treated with sympathectomy and adrenal reduction (A. D. Wright), 188
- Bloomfield, A.**—Primary sarcoma of ovary, 643
- Bodger, H. W. S.**—see Steele-Bodger, H. W.
- Bosworth, T. J.**—Control of cattle diseases inimical to man (Disc.), 117
- Brain, R. T.**—Industrial dermatitis (Disc.), 705
Skin diseases of ear (Disc.), 519
- Brain, W. R.**—Rehabilitation after injuries to central nervous system (Disc.), 302
War injuries in relation to ophthalmology and neuro-surgery (Disc.), 755
- Brain abscess (Discussion), 794**
commotion, mild, rôle of, in war neurosis (W. L. Neustatter), 549
injuries in childhood (Discussion), 393
post-contusional states (Discussion), 601
traumatic epilepsy (Discussion), 773
lesions, effect of, upon caloric responses (G. Fitzgerald and C. S. Hallpike), 801
œdema of (Discussion), 525
- Breast, carcinoma of left, with secondary gland in axilla (E. L. G. Hilton), 544**
- Bridge, J. C.**—Trinitrotoluene poisoning, 553
- Brigden, W. (for S. Nevin).**—Two cases of cerebellar regeneration, 542
- Brooks, W. D. W.**—Function of radiologist in diagnosis and treatment of chest injuries (Disc.), 104
Pulmonary hypertension with pulmonary regurgitation, 191
- Brooks, W. E.**—Hospital building (Disc.), 371
- Broster, L. R.**—Growth and new growth (Disc.), 589
- Brown, F. W.**—Heredity in psychoneuroses, 785
- Brown, W. G. S.**—see Scott-Brown, W. G.
- Brown, Sir Walter L.**—see Langdon-Brown, Sir Walter
- Brucellosis and sterility (Discussion), 635**
- Brünauer, St. R.**—Dermatitis atrophicans (atypical) (Disc.), 386
See also Freudenthal, W., and Brünauer, St. R.
- Bullough, W. A.**—Hospital building (Disc.), 371
- Burrows, H.**—Growth and new growth (Disc.), 587
- Burt, H.**—Malignant tumour pressing on brachial plexus complicating Paget's disease, 544
- Burt, J. B.**—Large cyst formation directly associated with rheumatoid arthritis, 85
Still's disease, 86
Tophaceous gout, 84
- Burton, A. E.**—Fractures of head of radius, 764
- Butler, A. A.**—Bone pegging carpal scaphoid, 760
- Buxton, P. A.**—Laboratory investigations on typhus (Disc.), 160
- Bywaters, E. G. L.**—Effects on the kidney of trauma to parts other than urinary tract (Disc.), 321
- Cairns, H.**—Injuries of frontal and ethmoidal sinuses (Disc.), 809
Rehabilitation after injuries to central nervous system (Disc.), 299
- Calus, John, and the revival of learning (Sir W. Langdon-Brown), 61**
- Caliper, new walking (W. H. Gervis), 228**
- Calvert, C. A.**—Injuries of frontal and ethmoidal sinuses (Disc.), 805
- Cann, R. J.**—Skin diseases of ear (Disc.), 523
- Carbohydrate metabolism (R. D. Lawrence), 1**
- Carotid artery, right internal, partial thrombosis of, at level of ophthalmic artery (W. Harris), 187**

- Carpal navicular, fractures, early excision of avascular fragment of** (N. Vere-Hodge), 764
 scaphoid, bone pegging the (A. A. Butler), 760
- Catterall, R. C. F.** (for H. C. Edwards and P. Ellman).—Hirschsprung's disease, 542
- Cattle, brucellosis and sterility in** (Discussion), 635
 diseases inimical to man, general principles involved in campaign to control (Discussion), 115, 469, 625
 mastitis and streptococcal infections in (Discussion), 625
 tuberculosis, control of (Discussion), 469
- Cawthorne, T.**—Brain abscess (Disc.), 797
 Otitic meningitis (Disc.), 130
- Cerebellar degeneration** (W. Brigden), 542
- Cerebral commotion, mild, rôle of, in war neurosis** (W. L. Neustatter), 549
 lesions, effect of, upon caloric responses (G. Fitzgerald and C. S. Halpike), 801
- Cerebrospinal fluid pressure, Effects of intravenous injections of sucrose on** (J. H. Paterson), 530
- Chemicals in fabrics as potential skin irritants** (H. E. Cox), 27
- Chest.**—see Thorax.
- Chayne, D. G.**—Man-power—medical aspects in a world army to-day, 427
- Chilblains, severe, on right leg weakened by previous poliomyelitis** (A. C. Roxburgh), 260
- Child guidance, place of, in a pædiatric unit** (J. L. Barnes), 683
 health, effects of war-time rationing (Discussion), 273
- Choline in carbohydrate metabolism** (R. D. Lawrence), 8
- Christie, R. V.**—Kidney and hypertension (Disc.), 320
- Clarke, H. O.**—Dislocation of knee-joint with capsular interposition, 759
- Clarke, R.**—Effects on kidney of trauma to parts other than urinary tract (Disc.), 338
- Clarke, T. A.**—Deafness due to central lag (Disc.), 793
 Otitic meningitis (Disc.), 131
- Colebrook, L.**—Streptococcal cross-infection in wards (Disc.), 95
- Coleman, H. M.**—Traumatic asphyxia and disruption of pelvis, 763
- Coleman, R., and Daley, W. A.**—Development of hospital services with particular reference to municipal hospital system of London, 741
- Colitis, ulcerative, complicated by polyarthritis treated by total colectomy** (A. D. Wright), 189
- Colon, dilatation—Hirschsprung's disease** (R. C. F. Catterall), 542
 treated by spinal anaesthesia (S. D. M. Court and J. K. Haslar), 687
- Communicable diseases, folk-lore of** (J. D. Rolleston), 535
- Congenital defects, surgical treatment of** (A. R. Mowlem), 683
- Converse, J. M.**—New forehead flap for nasal reconstruction, 811
- Convulsions under anaesthesia** (E. A. Pask), 545
- Court, S. D. M.**—Diabetes insipidus treated by slowly acting pituitary preparations, 687
 and J. K. Haslar.—Hirschsprung's disease treated by spinal anaesthesia, 687
- Cox, H. E.**—Chemicals in fabrics as potential skin irritants, 27
- Criminal responsibility in the armed forces, assessment of** (Discussion), 723
- Crisp, E. J.**—Physiotherapy and the soldier's foot, 217
- Cruikshank, R.**—Mastitis and streptococcal infections (Disc.), 631
- Crush syndrome** (Discussion), 321
- Cuneiform bone, fracture of** (V. H. Ellis), 710
- Cystectomy, total, for multiple papillomata of bladder** (A. C. Morson), 21
- Cystitis, refractory ulcerative** (A. W. Adams), 434
- Daley, D.**—Pathological specimens, 652
- Daley, W. A.**—Maternity services (Disc.), 650
 See also Coleman, H. M., and Daley, W. A.
- Dalling, T.**—Control of tuberculosis in cattle (Disc.), 469
- Dally, J. F. H.**—Hospital building (Disc.), 374
- Darier's centrifugal migratory erythema** (A. C. Roxburgh), 259
- Davie, T. B.**—Pathology of T.N.T. poisoning, 558
- Davies, J. H. T.**—Acrodermatitis (Dore) (Disc.), 35
 Eczema of the external auditory meatus (Disc.), 43
 Exfoliative erythrodermia (Disc.), 44
- Davies, O. V. L.**—See Lloyd-Davies, O. V.
- Davis, A.**—Septicæmia due to *Staphylococcus albus* following induction of premature labour with a rubber tube, 643
- Davis, E. D. D.**—Injuries of nose and throat (Disc.), 517
 Otitic meningitis (Disc.), 130
 Throat and nose manifestations of blood diseases (Disc.), 405, 406
- Davis, H. H.**—see Haldin-Davis, H.
- Deafness, aviation** (Discussion), 245
 due to central lag (W. M. Mollison), 792
- Dermatitis atrophicans (atypical)** (J. E. M. Wigley and W. Freudenthal), 385
 due to chemicals in fabrics (H. E. Cox), 27
 herpetiformis, with unusual limitation of the disease (L. Forman), 261
 industrial (S. G. Horner), 701
- Dermatomyositis and sclerodermia** (C. G. Barnes), 192
- Diabetes insipidus treated with slowly acting pituitary preparations** (S. D. M. Court), 687
 insulin-resistant, with quiescent acromegaly (F. D. Hart and R. Greene), 17
 interactions of fat and carbohydrate metabolism (R. D. Lawrence), 1
- Diabetic obesity and lipidæmia produced by hyperglycæmia** (R. D. Lawrence), 7
- Dick, I. L.**—Impacted fracture-dislocation of tarsal navicular, 760
- Dickson, E. D. D.**—Aviation noise deafness and its prevention, 248
- Dietary, war-time, mineral and vitamin requirements in relation to** (Discussion), 615
- Diggle, F. H.**—Brain abscess (Disc.), 800
- Dimsdale, H.** (for W. Harris).—Adie's syndrome (tonic pupils), 188

- Dobbs, R. H.**—Pyloric stenosis in infancy (Disc.), 51
- Dodds, R. L.**—Torsion of pregnant uterus containing fibroid, 643
- Dore, S. E.**—Acrodermatitis (Dore), 33
- Dottridge, F. S.**—see Sherry-Dottridge, F.
- Duckworth, G.**—Cellular nævus resembling lupus vulgaris, 387
- Chronic recurrent herpetic stomatitis, 264
- ? Epidermoid tumour of nævoid origin, 388
- Dunlop-Martin, G.**—Control of cattle diseases inimical to man (Disc.), 118
- Dunn, J. S.**—Effects on kidney of trauma to parts other than urinary tract (Disc.), 333
- Dust-laying in wards** (M. Van den Ende), 93
- Dwarfishm, diabetic**, with hepatomegaly (W. G. Oakley), 540
- Ear, eczema of external auditory meatus** (Discussion), 41
- effects of flying on (Discussion), 245
- intratympanic muscles, study of activities of (F. W. Kobrak), 791
- skin diseases of (Discussion), 519
- Earl, C. J. C.**—Testing intellectual capacity in adults (Disc.), 783
- East, W. N.**—Assessment of criminal responsibility in the armed forces (Disc.), 732
- Eastham, T.**—Workmen's Compensation Act as a factor in prolonging invalidism (Disc.), 499
- Eczema of external auditory meatus** (Discussion), 41
- Eden, A.**—Control of tuberculosis in cattle (Disc.), 476
- Eden, K.**—Myxœdema papulosum et annulare (Disc.), 389
- Education, medical**, rôle of orthopædics in (C. Lambrinudi), 211
- Edwards, H. C.**—see Catterall, R. C. F.
- Edwards, J. T.**—Control of cattle diseases inimical to man (Disc.), 121
- Control of tuberculosis in cattle (Disc.), 482
- Mastitis and streptococcal infections (Disc.), 633
- Edwards, S. J.**—Control of cattle diseases inimical to man (Disc.), 117
- Mastitis and streptococcal infections (Disc.), 633
- Eggs, living**, of mammals (W. J. Hamilton), 643
- Ehlers-Danlos syndrome** (H. Gordon), 263
- Elcock, C. E.**—Hospital building—past, present and future, 359
- Elliott, F. A.**—Sciatic pain (Disc.), 508
- Ellis, A.**—Kidney and hypertension (Disc.), 309
- Ellis, F.**—Place of radiotherapy in treatment of thyrotoxicosis (Disc.), 563
- Ellis, V. H.**—Sciatic pain (Disc.), 507
- Some minor fractures in hand, 710
- Ellman, F.**—Atrial septal defect, 539
- Tuberculous polyserositis, 540
- See also Catterall, R. C. F.
- Encephalocele** following skull fracture in an infant (G. H. Macnab), 12
- Ende, M. Van den.**—see Van den Ende, M.
- Endocrines** in carbohydrate metabolism (R. D. Lawrence), 9
- Enterobius vermicularis** in children in England (M. R. Young), 684
- ? Epidermoid tumour of nævoid origin (G. Duckworth), 388
- Epilepsy, traumatic** (Discussion), 773
- with disseminated sclerosis (S. P. Meadows), 13
- Epithelioma** adenoides cysticum, familial and congenital basal-celled epithelioma in the distribution of (L. Forman), 261
- Epps, P. G.**—Degeneration of intervertebral disc following lumbar puncture, 220
- Erythema, Darier's centrifugal migratory** (A. C. Roxburgh), 259
- Erythrodermia, exfoliative** (Discussion), 43
- Erythroplasia** (C. M. Warren), 385
- Esher, F. J. S.**—Experience in testing intelligence of dull military adults, 779
- Ether**, centenary of first anæsthetic use of (A. D. Marston), 279
- Etherington-Wilson, W.**—Pyloric stenosis in infancy, 59
- Ethmoidal and frontal sinuses, injuries** (Discussion), 805
- Eumydrin** in pyloric stenosis (D. Paterson), 49
- Evans, A. G.**—Kidney and hypertension (Disc.), 319
- Mineral and vitamin requirements in relation to war-time dietary (Disc.), 622
- Evans, H.**—Kidney and Hypertension (Disc.), 320
- Everett, A. D.**—Lumbar puncture injuries, 208
- Everett, W.**—Maternity services (Disc.), 651
- Exanthemata, folk-lore** of (J. D. Rolleston), 535
- Exophthalmos** with papillœdema (S. P. Meadows), 12
- Expiration, sudden**, demonstration of method (J. Sklădal), 192
- Eyes, mustard gas lesions** of (I. Mann and B. D. Pullinger), 229
- Fabrics, chemicals** in, as potential skin irritants (H. E. Cox), 27
- Fat and carbohydrate metabolism, interactions** of (R. D. Lawrence), 1
- Felix, A.**—Laboratory investigations on typhus (Disc.), 160
- Femur, fracture** of, followed by stiff knee (R. H. Young), 716
- fractures of shaft of, treatment of (J. S. Batchelor), 226
- Ferguson, J.**—Hospital building (Disc.), 368
- Fever hospital practice, trend** of (E. H. R. Harries), 265
- Fibrositis, generalized**, possible relation of acute myalgia of neck and shoulders (P. B. Beeson and T. F. McN. Scott), 733
- Fibula and tibia, fractures**, bone grafting for (J. R. Armstrong), 759
- Field, C. E.**—Prevention of chronic lung diseases in children (Disc.), 690
- Pyloric stenosis in infancy (Disc.), 59
- Findlay, G. M.**—Laboratory investigations on typhus, 157
- Fitzgerald, G., and Hallpike, C. S.**—Effect of certain cerebral lesions upon caloric responses, 801
- Fitzwilliams, D.**—Hospital building (Disc.), 373
- Flambert, M. E.**—Future of public health nursing (Disc.), 577
- Flett, R. L.**—Throat and nose manifestations of blood diseases (Disc.), 405
- Flood, P.**—Treatment of inoperable carcinoma of rectum (Disc.), 772
- Flying, effect** of, on nose and ear (Discussion), 245

- Folley, S. J.**—Brucellosis and sterility (*Disc.*), 641
- Food**, war-time rationing of, effects on child health (*Discussion*), 273
- Foot** problem in Service cases (H. L.-C. Wood), 193
soldier's, physiotherapy and (E. J. Crisp), 217
- Forces**, armed, assessment of criminal responsibility in (*Discussion*), 723
- Foreign** bodies in chest, 97, 101.
- Forman, L.**—Chronic recurrent herpetiform stomatitis (*Disc.*), 264
Dermatitis herpetiformis, with unusual limitation of disease, 261
Familial and congenital basal-celled epithelioma in the distribution of epithelioma adenoides cysticum, 261
Granuloma annulare (*Disc.*), 36
Industrial dermatitis (*Disc.*), 704
Leprosy, 260
- Formby, M. L.**—Skin diseases of ear (*Disc.*), 523
- Francis, J.**—Mastitis and streptococcal infections (*Disc.*), 632
- Franklin, A. W.**—Sulphæmoglobin (cythæmia and anæmia neonatorum, 686
- Franklin, J. L.**—Exfoliative erythrodermia, 45
Granuloma annulare (*Disc.*), 37
- Freudenthal, W.**—Acrosclerosis Sellei (*Disc.*), 263
Ehlers-Danlos syndrome (*Disc.*), 264
Erythroplasia (*Disc.*), 385
Tuberculosis nodularis cutis with glandular involvement (*Disc.*), 391
See also Wigley, J. E. M., and Freudenthal, W.
and Brünauer, St. R.—Myxœdema papulosum et annulare, 388
- Frey, H.**—Deafness due to central lag (*Disc.*), 793
Otitic meningitis (*Disc.*), 131
Skin diseases of ear (*Disc.*), 523
- Frontal** and ethmoidal sinuses, injuries (*Discussion*), 805
- Fry, D. B.**—New method of testing hearing in aviation candidates, 250
- Fur** dermatitis (H. E. Cox), 28
- Gabriel, W. B.**—Treatment of inoperable carcinoma of rectum (*Disc.*), 767
- Garland, H. G.**—Traumatic epilepsy (*Disc.*), 773
- Garland, T. O.**—Industrial dermatitis (*Disc.*), 705
- Gas.**—see Mustard gas.
- Gavey, C. J.**—Gross hyperpiesia well tolerated for 11 years, 14
Ophthalmoplegia as sole manifestation of myasthenia gravis over 25 years, 14
- Gebbie, N.**—Future of public health nursing (*Disc.*), 583
- Gervis, W. H.**—A new walking caliper, 228
- Gibson, H. J.**—Pathological demonstrations, 86
- Gilpin, A.**—Thoracic swelling; tuberculous abscess, 543
- Glover, J. A.**—Effects of war-time rationing on child health (*Disc.*), 277
- Glover, R. E.**—Control of tuberculosis in cattle (*Disc.*), 475
- Gloyne, S. R.**—Prevalence of human tuberculosis of bovine origin (*Disc.*), 471
- Goldsmith, W. N.**—Exfoliative erythrodermia (*Disc.*), 45
Industrial dermatitis (*Disc.*), 705
Tuberculosis verrucosa cutis and lichen planus, 386
- Gordon, H. W.**—Acrosclerosis Sellei, 262
Ehlers-Danlos syndrome, 263
Exfoliative erythrodermia (*Disc.*), 44
Treatment of herpes recurrens (*Disc.*), 45
- Gould, G. N.**—Brucellosis and sterility (*Disc.*), 635
Control of cattle diseases inimical to man (*Disc.*), 117
- Gout**, tophaceous (J. B. Burt), 84
- Graham, W. H.**—Effects on kidney of trauma to parts other than urinary tract (*Disc.*), 335
Experiences with phenothiazine as urinary antiseptic, 431
- Grant, H. M.**—Calcified hypernephroma of right kidney of 8 years' duration, 23
- Grant, R. T.**—Methods of resuscitation in shock (*Disc.*), 445
- Granuloma annulare** (*Discussion*), 36
- Gray, A. M. H.**—Cellular nævus resembling lupus vulgaris (*Disc.*), 388
Exfoliative erythrodermia (*Disc.*), 44
Granuloma annulare (*Disc.*), 39
Tuberculosis nodularis cutis with glandular involvement (*Disc.*), 391
Tuberculosis verrucosa cutis and lichen planus (*Disc.*), 387
- Green, H. H.**—Control of tuberculosis in cattle (*Disc.*), 476, 479
- Green-Armistage, V. B.**—Pitfalls in salpingography, 652
- Greene, R.**—see Hart, F. D., and Greene, R.
- Greenfield, J. G.**—Criteria of cerebral oedema, 525
- Griffith, W.**—Industrial dermatitis (*Disc.*), 705
- Griffiths, H. E.**—Workmen's Compensation Act as factor in prolonging invalidism (*Disc.*), 502
- Growth** and new growth (*Discussion*), 587
- Guttmann, L.**—Demonstration of study of sweat secretion by Quinzarin method, 77
Rehabilitation after injuries to central nervous system (*Disc.*), 305
- Gye, W. E.**—Growth and new growth (*Disc.*), 588
- Haddow, A.**—Growth and new growth (*Disc.*), 599
- Hæmatoma** associated with skull fracture in an infant (G. H. Macnab), 12
- Hæmopoiesis**, effect of occupational exposure to X-rays and radioactive substances upon (J. M. Vaughan), 721
- Hæmorrhagic** states and vitamins (*Discussion*), 407
- Hæmospermia** (G. E. Parker), 659
- Haldin-Davis, H.**—Industrial dermatitis (*Disc.*), 704
- Halliday, J. L.**—Psychological aspects of rheumatoid arthritis, 455
- Hallpike, C. S.**—See Fitzgerald, G., and Hallpike, C. S.
- Hamilton, W. J.**—Observations on living eggs of mammals, 643
- Hammond, J.**—Sterility in cattle, 638
- Hand**, minor fractures in (V. H. Ellis), 710
- Harding, K. M.**—Cases, 652
- Hardwick, C.**—Pyloric stenosis in infancy (*Disc.*), 58

- Harkness, R. C.**—Hospital building (*Disc.*), 370
